

The slide features a decorative background. On the left, there are three vertical bars: a wide light red bar, a narrower blue bar, and a thin light brown bar. The right side of the slide is a light beige color with a pattern of small red dots that fades out towards the right edge.

# **Project: General Guidance on the Definition, Structure and Disclosure of Public Debt**

SAI Egypt

## PROJECT'S BACKGROUND

This project was initiated and presented at the WGPD 2023 annual meeting, and it's included in the WGPD Work Plan 2023-2025.

The project team is composed of SAI Egypt (the project lead), along with SAI North Macedonia and SAI Austria.

The project is under the quality assurance (QA2) process for non-IFPP products.

## PROJECT AIM

To enhance the SAIs' knowledge on the general and country-specific concepts of public debt, its structure and disclosure policies, requirements, and medium for disclosure

# OBJECTIVES

To provide SAIs with a reference material on the public debt definition, its structure and disclosure policies, requirements and medium for disclosure.

Present a sample of each country-specific definition, structure, and disclosure policies, requirements and medium for disclosure on public debt.

Includes external links on examples of definition, structure and disclosure policies, requirements and medium for disclosure.

## PROJECT'S MILESTONE

- **Project Proposal**

The project team has finished the project proposal, which was approved by the WGPD's secretariat and sent to the KSC on the 18<sup>th</sup> of December 2023. ToR has also been completed.

- **Questionnaire development**

The project team is currently working on preparing the questionnaire that will be sent to the secretariat for approval by the end of June 2024.

- **Exposure Draft**

It's scheduled to start working on the preparation of the exposure draft from July 2024 until September 2024.

- **Final Version**

The project team will start working on the final version after the approval of the exposure draft, and the final version is scheduled to be finished by August 25, 2025, before the XXV INCOSAI..
